

EUREKA TRAILS COMMITTEE:(Resolution No. 99-49)

Whereas, there are many scenic and established trails on which walkers, joggers and bicyclists can enjoy the City and its environs; and

Whereas, the preservation and further development of trails would enhance the quality of life of the residents of the City and the surrounding area through increased use and enjoyment of the City's green and open spaces; and

Whereas, these trails could be better utilized by residents and visitors alike if they were developed into a comprehensive trail system and if the existence of their routes were better known; and

Whereas, these trails and those to be developed are an important resource that can play a vital role in helping to secure the economic future of the City of Eureka and the areas immediately surrounding, by developing and enhancing the community's quality of life; and

Whereas, the City Council of Eureka wishes to establish an ad hoc committee of citizens representing the community in order to assess the possibilities of establishing a comprehensive trail system to match up with the proposed County trails, and to identify funding resources.

Now, therefore be it resolved by the City Council of the City of Eureka that an ad hoc committee be created to formulate a comprehensive plan to enhance and develop the City's trail systems so they will match up with the proposed county trails, and to identify funding sources; and

1. The ad hoc committee shall consist of up to six (6) members from the community and one (1) council member. If possible, the six members from the community will be composed of representative from joggers, in-line skater, equestrians, bicyclists, and walkers.

Passed, approved and adopted by the City Council of the City of Eureka, County of Humboldt, State of California, on the 5th day of October, 1999.
